

# Quality Education and Healthcare

The story of Delhi's innovation in  
governance

Manish Sisodia  
Deputy Chief Minister, Delhi

Keynote Speaker  
Harvard India Conference 2018

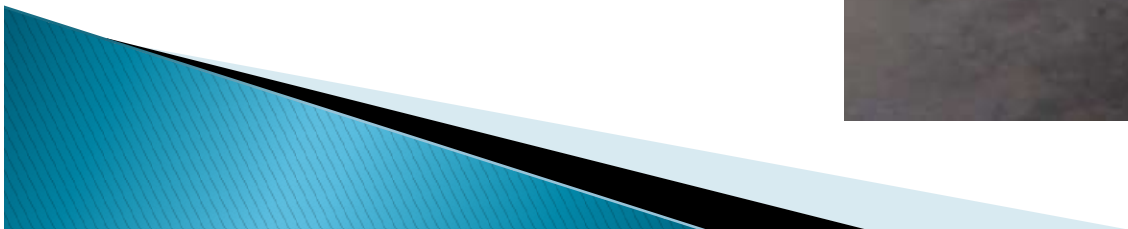

# An average classroom of a Delhi government school before 2015

**A corridor..**

# A bathroom..

# Assembly Hall

# High-end private hospital

# A government hospital

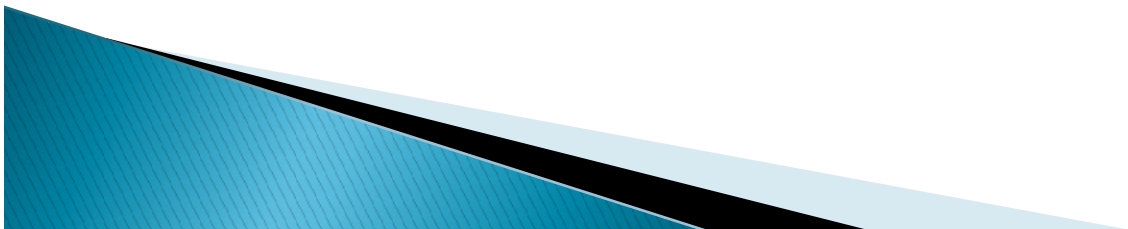

# **Budgetary Allocation for Education**

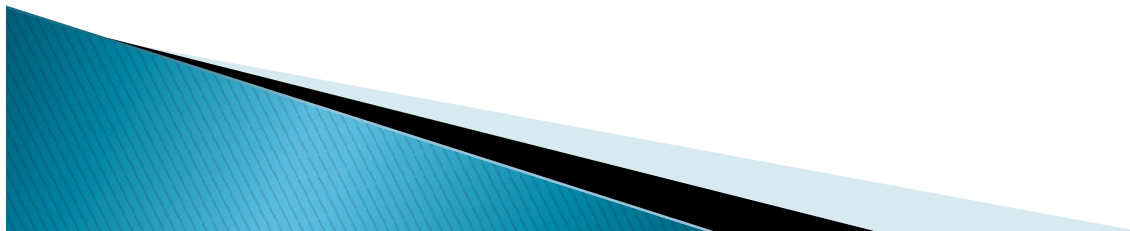

**Before 2015: \$ 700 million**

**Year 1 (2015): \$ 1.5 billion**

**Year 3 (2017): \$ 1.7 billion**

# **How Delhi government schools look now**

fake pic... its not of Delhi

**74 % children in Class 6 are not able to read their own textbooks**

**Source: Delhi government Baseline Assessment 2016**

## First tier: Upgrading hospital infrastructure

Janakpuri Super  
Speciality Hospital

## Second tier: Polyclinic

MAJOR SPECIALTIES, VSM

**AAM AADMI POLYCLINIC**

No.	SPECIALITY	DAYS	ROOM No.
1.	MEDICINE	DAILY	5
2.	PEDIATRICS	DAILY	7
3.	OBST & GYNAE	DAILY	6
4.	EYE	FRIDAY	3
5.	ENT	SATURDAY	3
6.	ORTHOPEDICS	WED/SAT	1
7.	SURGERY	TUESDAY	1

## Third tier: Flagship primary care centre 'Mohalla Clinic'

**Free Consultation**  
**Free Diagnostic Testing**  
**Free Medicines**

**160 Clinics set up**  
**Total 1000 planned**

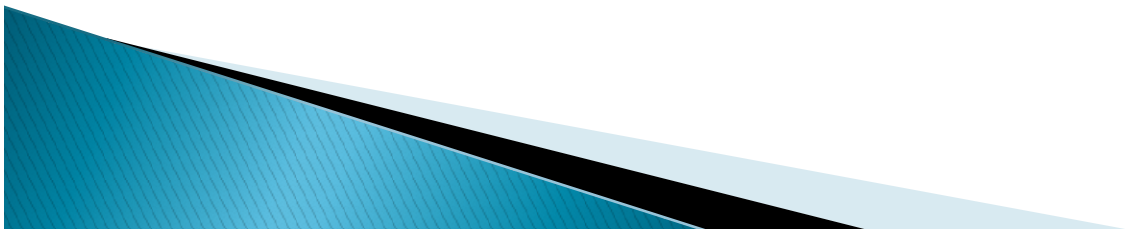

## Why are Mohalla Clinics being called 'disruptive'?

The average cost of building one primary care centre  
Before the AAP government was **\$ 700,000 +**

One Mohalla Clinic is built on an average for **\$ 23,000**

The average operating cost to the government for consultation at  
traditional government hospitals is **\$ 15**

At Mohalla Clinics, it is **less than \$ 2**
